

Title of Document:	Request for Change	Issue No. G21-07859	Rev. 0
Customer:	Issue date: November 30, 2021		
Title subject:	Notification of completion of UL/CSA certification of additional housing resin material products (KINGFA: PA66-RNG00)		Revision date:

It is informed that UL/CSA certification of the products with housing alternative resin material (PA66-RNG00 made by KINGFA) has been completed as follows.

1. Target product and Part Number

Series	Part name		Part number	UL certification	CSA certification
EH	Socket housing	-	EHR-* (L)	Registration complete	Registration complete
	Header	Top entry type	B*B-EH-() (LF)(SN)(SU) B*B-EH-A-() (LF)(SN)(SU)		
		Side entry type	S*B-EH-() (LF)(SN)(SU)		
PH	Socket housing	-	PHR-* (L)	Registration complete	Registration complete
	Header	Top entry type	B*B-PH-K-() (LF)(SN)(SU)		
		Side entry type	S*B-PH-K-() (LF)(SN)(SU)		
VH	Header	Top entry type	B*P-VH-() (LF)(SN)(SU)	Registration complete	Registration complete
		Side entry type	S*P-VH-() (LF)(SN)(SU)		
			B*PS-VH-() (LF)(SN)(SU)		
XA	Socket housing	-	XAP-*V-1-() (L)	Registration complete	Registration complete
PBV	Socket housing	-	PBVP-*V-S (SU) PBVP-10V-S (S)(SU)	Registration complete	N/A

Note) Number of circuits is indicated in *. A character of an alphabet showing color is indicated in ().
PBV connectors are not CSA certified in current resin material and have not applied for CSA certification in alternative resin material.

As we informed you in our reports (Request for change No.: G21-03769, 05752, 04294, 05172), UL/CSA certification has been completed and we will gradually unify the target products to the current part numbers.

Your thought understanding and consideration would be very much appreciated.
