

Title of Document:	Request for Change	Issue No. G22-01254	Rev. 0
Customer:		Issue date: February 21, 2022	
Title subject:	XR connector: Addition of resin material	Revision date:	

Please take note that we would like to add one new resin material manufacturer used in the housing of the XR connector due to the supply restrictions by current resin manufacturer as follows.

1. Target product and Part number

XR connector < 6H only >

Part number: **XR-6H-P

2. Contents

"Kingfa" will be added as a resin material manufacturer of the housing used in the aforementioned subject products as below.

We are applying for overseas standards for additional products (made of additional resin).

The part numbers associated with this addition are as follows.

-	Resin material	Resin material manufacturer	Resin material Part number	Part number
Current product	Current material	Toray	CM3004-G20	**XR-6H-P
Additional product	Current material	Toray	CM3004-G20	**XR-6H-P
	New material	Kingfa	PA66-RG252(GF20)	**XR-6H-P(SU)

3. Reason for the addition

Because of difficulty of procuring the resin material due to the supply restrictions by current resin manufacturer, this addition shall be carried out.

Your thought understanding and consideration would be very much appreciated.
