Customer:		Issue date: June 4, 2021	
Title subject:	EH/PH connectors: Addition of resin material for housing	Revision date: June 21, 2021	

Please take note that we would like to add the resin material manufacturer for housing of EH/PH connectors as follows.

### 1. Target product and Part number

Connector name	Part number
EH	EHR-*- ( )
PH	PHR-*- ( )

Note) Number of circuits is indicated in \*.

A character of an alphabet in color is indicated in ( ).

### 2. Timing of the change

Production is scheduled to start from mid-June 2021.

### 3. Details of the change

The resin material manufacturer for housing of the aforementioned products shall be added as follows.

Regarding the additional products, we will be applying for UL/CSA certification one by one.

Until UL/CSA certification is completed, "(L)" as identification symbol shall be suffixed to the conventional part number to identify additional product.

Part numbers with identification symbol "(L)" will be deleted after acquiring UL/CSA certification and unifies to original part numbers.

	Resin material maker	Resin Part No.	Part No.
Current product	Toray Industries, Inc.	CM3004V0	EHR-*- ( ) PHR-*- ( )
Additional product (Applying for UL/CSA)	KINGFA	RNG00	EHR-*- ( ) (L) PHR-*- ( ) (L)
Additional product (After UL/CSA certification)	Toray Industries, Inc.	CM3004V0	EHR-*- ( ) PHR-*- ( )
	KINGFA	 PA66-RNG00	

### 4. Details of the change

This change will be carried out because availability of the resin material for housing shall be improved.

Your thought understanding and consideration would be very much appreciated.
