

Title of Document:	Request for Change	Issue No. G22-01251	Rev. 0
Customer:		Issue date: February 21, 2022	
Title subject:	Regarding our connectors using PBT resin material	Revision date:	

It is informed that the PBT resin material (made by A Company) used in our products will be changed to successor resin materials of the same manufacturer and grade.

1. Target product and Part number

See appendix.

2. Contents

The PBT resin material used in our products will be changed to successor resin material of the same manufacturer and grade.

According to this change, the UL Yellow Card registration information of the material manufacturer remain unchanged.

In addition, the part numbers of the target products remain unchanged.

3. Reason for the change

Because of the production of the current resin by current resin material manufacturer has been terminated and in order to ensure a steady supply of material, this change is carried out.

Your thought understanding and consideration would be very much appreciated.

-End-

Prepared by: <i>A. Okuni</i>	Checked by: -	Reviewed by: <i>K. Murata</i>	Approved by: <i>T. Fujiwara</i>
