Customer:		Issue date: September 1, 2021	
Title subject:	EH/PH/VH connectors: Addition of resin material for header	Revision date:	

Please take note that we would like to add the resin material manufacturer for header of the EH/PH/VH connectors as follows.

1. Target product and Part number

Series	Type	Part number
EH	Top entry type	B*B-EH-() (LF)(SN) B*B-EH-A-() (LF)(SN)
	Side entry type	S*B-EH-() (LF)(SN)
PH	Top entry type	B*B-PH-K-() (LF)(SN)
	Side entry type	S*B-PH-K-() (LF)(SN)
VH	Top entry type	B*P-VH-() (LF)(SN)
	Side entry type	S*P-VH-() (LF)(SN) B*PS-VH-() (LF)(SN)

Note) Number of circuits is indicated in *.

A character of an alphabet showing color is indicated in ().

2. Timing of the change

Production is scheduled to start in mid-September 2021 or later.

3. Contents

The resin material manufacturer for header of the aforementioned products shall be added as follows. As for the additional product (made of additional resin), we will be applying for UL/CSA certification one by one. Until UL/CSA certification are obtained for the additional products, "(SU)" as identification symbol is suffixed to the conventional part number in order to distinguish with the current product. Identification symbol "(SU)" will be deleted after obtaining UL/CSA certification, and unify to original part numbers.

4. Reason for the change

This change will be carried out because availability of the resin material for header shall be improved.

Your thought understanding and consideration would be very much appreciated.
