

Title of Document:	<b>Request for Change</b>	Issue No. G21-00718	Rev. 0
Customer:		Issue date: February 4, 2021	
Title subject:	XA connector: Carrier tape of the embossed reel product	Revision date:	

Please take note that we would like to change the carrier tape of the XA connector as follows.

### 1. Target product

XA connector

<Top entry type 2-circuit>

Part number: BM02B-XA\*\*\*-TF (\*) (LF) (SN)

<Side entry type 5- and 7-circuit>

Part number: SM05B-XA\*\*-BN\*\*-TB (LF) (SN)

SM07B-XASS-BN-TB (LF) (SN)

### 2. Details of the change

The material of the embossed carrier tape for the aforementioned products shall be changed from PET to PS. No change since the number of circuits other than the above is PS material.

### 3. Reason for the change

To prevent thermal contraction deformation in high temperature environment such as containers during product transportation. (Improvement of heat resistance).

### 4. Timing of the change

This change is carried out one by one after customer's approval.

Your thought understanding and consideration would be very much appreciated.
