

Title of Document:	Request for Change	Issue No. G21-07096	Rev. 0
Customer:		Issue date: October 19, 2021	
Title subject:	XA connector Header: Addition of resin material for housing	Revision date:	

Please take note that we would like to add a material manufacturer of the PA 66 resin used for the housing of XA connector Header due to the supply restrictions by current manufacturer as follows.

1. Target product and Part Number

XA connector

Part number: S*B-XA*K-1 (LF)(SN), B*B-XA*K-1 (LF)(SN)(*), etc. <See appendix.>

2. Contents

Kingfa shall be added to the current housing resin material manufacturer used for the aforementioned subject products.

UL and CSA standards for additional products (made of additional resin) are expected to be certified by mid-November 2021.

For the time being, additional products will only be available in natural color due to certain reason of manufacturer.

—	Resin material manufacturer	Resin Part No.	Part No. <example>
Current product	Toray	CM3004-G30	B*B-XA*K-1 (LF)(SN)(P) S*B-XA*K-1 (LF)(SN)
Additional product	Toray	CM3004-G30	B*B-XA*K-1 (LF)(SN)(P) S*B-XA*K-1 (LF)(SN)
	Kingfa	PA66-RG301	B*B-XA*K-1(SU) (LF)(SN)(P) S*B-XA*K-1 (SU) (LF)(SN)

3. Reason for the addition

Due to difficulty of procuring the PA 66 resin material due to the supply restrictions by current resin manufacturer.

Your thought understanding and consideration would be very much appreciated.

-End-
