3. Contents of the change

The resin material used in the aforementioned subject products shall be changed as shown in the table below. The production method and the product quality control are equivalent to those of current ones.

Item	Before change	After change
Resin material used (PBT resin)	5010GN6-15M8 (Color: Black) made by Mitsubishi Engineering-Plastics Corporation	1184G-A15 (Color: Black) made by Toray Industries, Inc.

According to this change, the part numbers remain unchanged.

4. Reason for the change

In order to ensure stable production by reducing the proportion of current resin material used in our company, this change is carried out.

Your thought understanding and consideration would be very much appreciated.
